Directions

From I-17 and Carefree Hwy

Head west on Carefree Hwy. Turn right into the 1st entrance to Ben Avery Shooting Facility; there is a big masonry sign. Follow the road into the facility and it will gradually turn left so you are again heading west. You will see a beige metal building on your right; that is the facility. Turn right at the 1st possible road after heading west—it looks like you are entering a parking lot. Make another immediate right; you are now heading east. You will see the building on the right. Pull into an open parking space. Do not block the BASF gate on the east end of the building.

From Lake Pleasant Parkway and Carefree Hwy

Head east on Carefree Hwy (toward I-17). Continue PAST the stop light for AZ Game and Fish. Continue east until you get to the masonry Ben Avery Shooting Facility sign; turn left into the facility. Follow the road into the facility and it will gradually turn left so you are again heading west. You will see a beige metal building on your right; that is the facility. Turn right at the 1st possible road after heading west—it looks like you are entering a parking lot. Make another immediate right; you are now heading east. You will see the building on the right.
